

Welcome to IAME 2025 Conference in Bergen | Norway

Practical Arrival Information

We are delighted to welcome you to Bergen for the IAME 2025 Conference, taking place at the [Norwegian School of Economics \(NHH\)](#) from June 25th to June 27th and with a welcoming reception at [Håkonshallen](#) on June 24th. To help you arrive smoothly and begin your experience with ease, we've prepared a few practical guidelines below:

Getting from the Airport to the City Centre

By Public Transport:

The most convenient way to reach the city centre from the airport is by taking the **Bybanen Light Rail (Line 1)**. From the arrival hall, simply follow the signs to the Bybanen platform, located just downstairs. Board Line 1 toward Bergen sentrum. The journey takes approximately **45 minutes**.

Tickets can be purchased via the [Skyss app](#) or at the ticket machine on the platform. You can also pay using a contactless bank card by tapping it directly on the machine. In this case, your ticket is stored on your card — there's no need to validate it manually or wait for a printed ticket. If a ticket inspector checks your fare during the ride, you'll need to present the same card you used to tap in.

A one-way ticket costs approximately **50 NOK** and is valid for **60 minutes**. If you're staying for several days, consider purchasing a **7-day Season Ticket (One Zone) for 272 NOK** — a cost-effective option for those attending the conference and exploring the city.

- **Disembark at: Byparken station** (final stop) for most hotels and city centre destinations.

For some exploring the city, it might be convenient to get a [Bergen card](#). This includes free transport and some discounts on touristic attractions.

Taxi:

Taxis are available outside the airport. The ride to the city centre takes approximately **15–20 minutes** and costs around **500–600 NOK**. Several providers accept card payment and offer fixed airport rates.

Flybussen (Airport Shuttle bus):

This is a private shuttle service that takes you to the city center (FB50) or to NHH (FB51) in about **30 minutes to 40 minutes**. Note that the bus that goes to NHH is mostly available at night. You could pay via their [website](#) or directly to the bus driver. The one-way cost is around **200 NOK**.

Getting to the Conference Venue (Norwegian School of Economics)

From the Airport

You first need to get to the city centre (as instructed before) and make a transfer there.

From the City Centre (e.g., Byparken, Torgallmenningen, Torget, Festplassen):

- **By Bus:** Take any Bus that takes you to stop **Handelshøyskolen** and then take a short walk to NHH. Some options are.
 - 3 - Støbotn
 - 4 – Flaktveit
 - 12- Løngborglien
 - 16 E - Øyjorden
 - 19 – Åsane Terminal
 - 300 – Knarvik terminal (**Careful, do not take 300E**)
- **Travel Time:** Approx. **10–15 minutes**
- **Ticket Info:** Use the **Skyss app**, ticket machines at the stop (not many available) or pay directly to the bus driver with a credit card.

By Taxi: Taxis are easily available and can drop you directly at the venue entrance. Travel time is around **20-30 minutes from the airport** and from **10-15 minutes from the city center**.

Back to the Airport

- Get to the city centre via Skyss bus and take the **Bybanen Line 1 (Do not take Line 2!!!)**
- Flybussen from NHH or city center
- Taxi

General Tips

- **Local Transport App:** We recommend downloading the [Skyss app](#) for purchasing tickets with ease.
- **Weather:** Weather in Bergen can be quite variable. We could have 20 °C with sun or 10 °C with rain. Bring layers and a rain jacket to stay comfortable throughout your stay.
- **Emergency Contact:** Should you need assistance during your arrival, feel free to contact our team at info@iame2025.com. If you need immediate assistance you may contact:

Emergency phone number: 112

Medical Emergencies (Ambulance) phone number: 113

- **Touristic Attractions:** Visit our organizing partner website, [Visit Bergen](#), for more information

Conference App

For the conference we highly encourage you to use the Dryfta App from [Android](#) or [Apple Store](#). This is the easiest way to keep track of your presentations and the sessions you are interested in following. Just download and login under **IAME 2025 – Bergen**.

Apple Store Dryfta App

Android Dryfta App

We can't wait to welcome you in person. Safe travels, and see you soon in Bergen!

Warm regards,

IAME 2025 Organizing Committee
